

THE WHOLE PET CHRONICLE

ROOTS HAPPENINGS

Just a few paw-fect reminders as we kick off the new year!

You'll find our current clinic hours listed below for easy reference.

Monday 8am - 7pm

Tuesday 8am - 5pm

Wednesday 8am - 6pm

Thursday 8am - 7pm

Friday 8am - 7pm

For medication refills, please give our RX voicemail line a call (option 2)— it helps keep things organized and ensures nothing slips through the cracks. Refill requests can take up to 48 hours, so planning ahead helps keep tails wagging and whiskers happy.

And hold onto your leashes... 🐕🌟 new and exciting things are coming to Roots in 2026! We've got some fun updates in the works, so keep an eye on your inbox and social pages — we can't wait to share what's ahead.

WELCOME BACK & HAPPY NEW YEAR

Happy New Year! As we step into 2026, we want to take a moment to thank you for trusting us with the care of your pets. It's an honor to be part of your animal's health journey, and we are truly grateful for the relationships we continue to build with you and your furry family members.

The start of a new year is a wonderful time to reflect, reset, and look ahead. Whether your goals include preventive care, supporting mobility, managing chronic conditions, or exploring integrative therapies, our team is here to partner with you every step of the way.

We look forward to another year of compassionate, thoughtful, and individualized care — helping your pets feel their best and live their healthiest lives.

PAWS & CELEBRATE

From quirky pet holidays to heartwarming appreciation weeks, there's always something to wag about!

🐕 January 14 - National Dress
Up Your Pet Day

Whether it's a cozy sweater or a silly accessory, today is all about celebrating your pet's personality. Bonus points for sharing photos of your well-dressed furry friends!

🐾 January 24 - Change
a Pet's Life Day

Today is a perfect reminder that even small acts can change a dog or cat's life. Volunteering for a walk, spending time playing, fostering, or opening your home through adoption can make a world of difference for those who are waiting in shelters and rescues. A little time, love, and care can truly change everything.

WE NOW OFFER OZONE THERAPY!

What is Ozone Therapy?

Ozone therapy uses medical-grade ozone (a form of oxygen with three atoms — O₃) to support healing and overall wellness in pets. It works by enhancing oxygen delivery, stimulating the immune system, reducing inflammation, and much more in helping & supporting the body.

Why We're Excited About It

We've partnered with O3Vets, a leading veterinary ozone training and equipment provider, to bring this advanced therapy to our patients. O3Vets emphasizes using ozone therapy to help pets heal naturally

How It Helps Pets

Ozone therapy can be beneficial in many areas:

- Boosting immunity and circulation
- Reducing inflammation and pain
- Supporting wound healing
- Assisting with chronic infections and immune-linked conditions
- Complementing conventional treatments for conditions like arthritis, ear infections, or even oncology support

Note: This therapy is applied by trained veterinary professionals and tailored to each patient's needs.

Feel free to contact us to learn if it's right for your pet!
